Subpart E—Initial Decision and Motion To Reopen a Hearing

§ 22.27 Initial decision.

(a) *Filing and contents.* The Presiding Officer shall issue and file with the Regional Hearing Clerk his initial decision as soon as practicable after the period for filing reply briefs under § 22.26 has expired. The Presiding Officer shall retain a copy of the complaint in the duplicate file. The initial decision shall contain his findings of fact, conclusions regarding all material issues of law or discretion, as well as reasons therefor, a recommended civil penalty assessment, if appropriate, and a proposed final order. Upon receipt of an initial decision, the Regional Hearing Clerk shall forward a copy to all parties, and shall send the original, along with the record of the proceeding, to the Hearing Clerk. The Hearing Clerk shall forward a copy of the initial decision to the Environmental Appeals Board.

(b) *Amount of civil penalty.* If the Presiding Officer determines that a violation has occurred, the Presiding Officer shall determine the dollar amount of the recommended civil penalty to be assessed in the initial decision in accordance with any criteria set forth in the Act relating to the proper amount of a civil penalty, and must consider any civil penalty guidelines issued under the Act. If the Presiding Officer decides to assess a penalty different in amount from the penalty recommended to be assessed in the complaint, the Presiding Officer shall set forth in the initial decision the specific reasons for the increase or decrease. The Presiding Officer shall not raise a penalty from that recommended to be assessed in the complaint if the respondent has defaulted.

(c) *Effect of initial decision.* The initial decision of the Presiding Officer shall become the final order of the Environmental Appeals Board within forty-five

(45) days after its service upon the parties and without further proceedings unless (1) an appeal to the Environmental Appeals Board is taken from it by a party to the proceedings, or (2) the Environmental Appeals Board elects, sua sponte, to review the initial decision.

§ 22.28 Motion to reopen a hearing.

(a) *Filing and content.* A motion to reopen a hearing to take further evidence must be made no later than twenty (20) days after service of the initial decision on the parties and shall (1) state the specific grounds upon which relief is sought, (2) state briefly the nature and purpose of the evidence to be adduced, (3) show that such evidence is not cumulative, and (4) show good cause why such evidence was not adduced at the hearing. The motion shall be made to the Presiding Officer and filed with the Regional Hearing Clerk.

(b) *Disposition of motion to reopen a hearing.* Within ten (10) days following the service of a motion to reopen a hearing, any other party to the proceeding may file with the Regional Hearing Clerk and serve on all other parties an answer thereto. The Presiding Officer shall announce his intent to grant or deny such motion as soon as practicable thereafter. The conduct of any proceeding which may be required as a result of the granting of any motion allowed in this section shall be governed by the provisions of the applicable sections of these rules. The filing of a motion to reopen a hearing shall automatically stay the running of all time periods specified under these Rules until such time as the motion is denied or the reopened hearing is concluded.

Subpart F—Appeals and Administrative Review

§ 22.29 Appeal from or review of interlocutory orders or rulings.

(a) *Request for interlocutory appeal.* Except as provided in this section, appeals to the Environmental Appeals Board shall obtain as a matter of right

only from a default order, an accelerated decision or decision to dismiss issued under § 22.20(b)(1), or an initial decision rendered after an evidentiary hearing. Appeals from other orders or rulings shall lie only if the Presiding Officer or Regional Administrator, as appropriate, upon motion of a party, certifies such orders or rulings to the Environmental Appeals Board on appeal. Requests for such certification shall be filed in writing within six (6) days of notice of the ruling or service of the order, and shall state briefly the grounds to be relied upon on appeal.

(b) *Availability of interlocutory appeal.* The Presiding Officer may certify any ruling for appeal to the Environmental Appeals Board when (1) the order or ruling involves an important question of law or policy concerning which there is substantial grounds for difference of opinion, and (2) either (i) an immediate appeal from the order or ruling will materially advance the ultimate termination of the proceeding, or (ii) review after the final order is issued will be inadequate or ineffective.

(c) *Decision.* If the Environmental Appeals Board determines that certification was improvidently granted, or if the Environmental Appeals Board takes no action within thirty (30) days of the certification, the appeal is dismissed. When the Presiding Officer declines to certify an order or ruling to the Environmental Appeals Board on interlocutory appeal, it may be reviewed by the Environmental Appeals Board only upon appeal from the initial decision, except when the Environmental Appeals Board determines, upon motion of a party and in exceptional circumstances, that to delay review would be contrary to the public interest. Such motion shall be made within six (6) days of service of an order of the Presiding Officer refusing to certify a ruling for interlocutory appeal to the Environmental Appeals Board. Ordinarily, the interlocutory appeal will be decided on the basis of the submissions made by the Presiding Officer. The Environmental Appeals Board may, however, allow further briefs and oral argument.

(d) *Stay of proceedings.* The Presiding Officer may stay the proceedings pending a decision by the Environmental

Appeals Board upon an order or ruling certified by the Presiding Officer for an interlocutory appeal. Proceedings will not be stayed except in extraordinary circumstances. Where the Presiding Officer grants a stay of more than thirty (30) days, such stay must be separately approved by the Environmental Appeals Board.

§ 22.30 Appeal from or review of initial decision.

(a) *Notice of appeal.* (1) Any party may appeal an adverse ruling or order of the Presiding Officer by filing a notice of appeal and an accompanying appellate brief with the Environmental Appeals Board and upon all other parties and amicus curiae within twenty (20) days after the initial decision is served upon the parties. The notice of appeal shall set forth alternative findings of fact, alternative conclusions regarding issues of law or discretion, and a proposed order together with relevant references to the record and the initial decision. The appellant's brief shall contain a statement of the issues presented for review, a statement of the nature of the case and the facts relevant to the issues presented for review, argument on the issues presented, and a short conclusion stating the precise relief sought, together with appropriate references to the record.

(2) Within fifteen (15) days of the service of notices of appeal and briefs under paragraph (a)(1) of this section, any other party or amicus curiae may file and serve with the Environmental Appeals Board a reply brief responding to argument raised by the appellant, together with references to the relevant portions of the record, initial decision, or opposing brief. Reply briefs shall be limited to the scope of the appeal brief. Further briefs shall be filed only with the permission of the Environmental Appeals Board.

(b) *Sua sponte review by the Environmental Appeals Board.* Whenever the Environmental Appeals Board determines sua sponte to review an initial decision, the Environmental Appeals Board shall serve notice of such intention on the parties within forty-five (45) days after the initial decision is served upon
